Eidsvold Livestock and Property – Cattle Sale Results 14/10/2026

Just over 300 head of liveweight cattle were sold at the Eidsvold Cattle Sale on Wednesday the 14th October with prices for all categories firm to dearer. Heavy Bulls sold to 369c/kg to return $2866 while the mid weight Bulls sold to 402c/kg to average 330c/kg returning a top of $1850 to average $1678 per head. Cows topped at 377c/kg to top at $2282 to average $1860 per head. Medium Cows sold to $2168 to average $1382 while good Store conditioned Cows sold to 298c/kg to average 271c/kg. Bullocks sold to a much higher demand topping at 448c/kg to return $2924 to average $2687 per head. Background Brahman Steers were dearer this week with the 300-400kg range Steers topping at 494c/kg to average 471c/kg. Weaner Steers were in demand with the lead making 588c/kg to return $1500 to average $1162 per head. The Heifer portion was stronger for all classes with the Feeder Heifers selling to 420c/kg to return $1866 per head while a very good draft of Backgrounder Heifers topped at 456c/kg to average 390c/kg. Weaner Heifers topped at 410c/kg to average 370c/kg returning a top of $970 to average $810 per head. There was a small run of lighter Steers and Heifers showing the effect of the dry weather which struggled to meet the rates of the last sale. No significant rainfall was recorded in the selling area, but the prices were firming up with the expectation on future rain.
