# ***Eidsvold Livestock and Property – Cattle Sale Results 30/09/2026***

A liveweight yarding of 543 head plus 42 Cows and Calves were yarded at Eidsvold Saleyards on Wednesday the 30th of September 2026 with prices slightly easier across the yards. Heavy cows topped at 360c/kg to average 344c/kg, returning a top of $2,216, to average $1,966. While the medium cows sold to 353c/kg, to top at $1,752, with an average of $1,484 per head. Store cows sold consistently for around 300 c/kg – 330c/kg per head. Meatworks Bulls sold well, topping at 390c/kg to average 357c/kg. With a top of $3,560, to average $2,805. Feeder Steers remained firm, with the better Steers selling into the early 500c/kg mark, with an average of $2025 per head. Heavy Feeder Steers reached $2470 for an average of $2361. Backgrounder to light Feeder Steers sold to 494c/kg, with a top of $1,877 to average $1,492, while Weaner Steers struggled to maintain the prices of last sale. The best Weaners sold to 500c/kg, to average 451c/kg, with a top of $1,368 to average $1,090. Weaner Heifers remained harder to sell, with the best-selling to 350c/kg, to average 316c/kg. The 300–400 kg Backgrounder Heifers sold to 380c/kg, to average 350c/kg, with the top selling at $1,420, to average $1,234. Feeder Heifers sold to 396c/kg, to average 390c/kg, to average $1,772 per head.

A herd dispersal of approximately 42 x 42 Cows and Calves plus 40 PTIC Santa/ Droughtmaster Cows sold firm, considering the weather conditions and a large percentage of calves were under 6 weeks old. The best Cows and Calves units reached $1,925, with the whole draft averaging $1,735 per unit. The PTIC cows averaged just under $1,500 per head. The next sale will be held on October 14th 2026.
